

## AGENDA OF THE WORKSHOP

11 DECEMBER 2018

Day one		
Time	Topic	Speaker
9:00-10:00	<b>Welcome coffee and registration</b>	
10:00 – 10:30	Welcoming speech, objectives of the workshop Participants introduction Brief introduction of EUWI+East Project Agenda of the workshop	Mr Kuzio  Ms Konovalenko
<b>PART I – River Basin Management Plan (RBMP) basics</b>		
10:30 – 11:00	Brief presentation of Water framework directive implementation in Ukraine and RBMP process  EUWI+ activities and progress (content of activities, tenders, schedule, work plan)	Mr Khoreev  IOW
<b>PART II – Dnipro RBMP: presentation of the first results</b>		
11:00 – 12:00	Presentation of the results from consultants: surface water bodies delineation in Dnipro River Basin (principles, methodologies, difficulties experienced, concrete examples, statistics, maps) Discussion	Mr Oleksii Iaroshevych
12:00- 13:00	Presentation of the results from consultants: groundwater bodies delineation in Dnipro River Basin (principles, methodologies, concrete examples, results) Discussion	Mr Sergii Goshovskyi
13:00 – 14:00	Lunch	
14:00 – 15:00	Presentation of the results from consultants: characterisation of Dnipro River Basin (topics, methodologies, difficulties experienced, maps, diagnosis) Discussion	UHMI
15:00 – 15:45	Results of Water Bodies Delineation in Pripyat River Basin in Belarus	Mr V. Korneev
15:45 – 16:00	Coffee break	
16:00 – 16:30	Results of Water Bodies delineation in Georgian River Basins	Mr Z. Jincharadze
16:30– 17:15	Open discussion about the results	IOW - UBA
17:15 – 17:45	Experience feedback from other countries: Pressures, risk analysis with illustrations RBMPs (successive steps, maps, charts, complete tables of water bodies)	IOW
17:45 – 18:00	Synthesis of the day: Coordination and consistency of results, gaps How to merge the results for the next steps? Description of the next day	IOW - UBA

## 12 DECEMBER 2018

Day two		
Time	Topic	Speaker
9:00 – 9:30	Programme of the day Reminder of day one results	Mr Bilokon (tbc) IOW
<b>PART III – To go further</b>		
9:30 – 10:45	Presentation of national methodology about pressures-impacts analysis  Discussion	Mr Edouard Ocisky
10:45 – 11:00	Coffee break	
11:00 – 12:00	Experience feedback from other countries: Pressures, risk analysis with illustrations from RBMPs (successive steps, maps, charts, complete tables of water bodies) <i>(possible continuation of the previous day)</i>  Example of pressures estimation from socio-economic data (population, agriculture census, etc). Comparison of pressures of various origins to estimate pollution flow or mass balance estimation. Discussion about solutions and results, orders of magnitude	IOW - UBA  IOW
12:00 – 13:00	Experience feedback from other countries: Monitoring implementation with illustrations from French and Austrian experiences (successive steps, criteria, maps, costs)  Discussion	IOW - UBA
13:00 – 14:00	Lunch	
<b>PART IV – First identification of Main Issues in Dnipro River Basin</b>		
14:00 – 14:30	How to develop a consultative process linked with RBMP development? Presentation of the UA communication strategy	Ms O. Marushevska
14:30 – 15:30	Experience feedback from other countries: Main Issues  First identification of the Main Issues of Dnipro RB: Interactive animation to illustrate a stakeholders' meeting Organisation of the results, comparison of objective and subjective visions	IOW - UBA
15:30 – 16:00	Conclusion: Next steps of RBMP planning process  Workshop evaluation	IOW - UBA
16:00 – 17:00	<i>Technical discussion between Belarusian and Ukrainian experts about consistency of WB evaluation on both side of the border. Identification of the needs to be tackled during a specific working group</i>	<i>Experts concerned</i>
